GET a foot in the door in the property market with a Parklane Cottage Homes house and land package in Southern River.

The homes are built on cottage-sized lots measuring about 226sqm.

All the bedrooms will be carpeted, while the main living areas will have tiled flooring.

There will be stainless steel appliances and a dishwasher in the gourmet kitchen.

The outdoors entertaining area will have an alfresco area and reticulated gardens.

The remote-controlled double garage will come with a storage room.

Other extras include airconditioning, feature doors and halogen downlights.
